

Empowerment Gifts 2018

Each year £10,000 is donated to projects supporting work with women overseas, selected by the MWiB Forum. MWiB will work closely with All We Can, WFM&UCW and WCR Partnership Co-ordinators to identify suitable projects.

Suggestions for recipients of this year's Empowerment Gifts are welcomed from Forum members. You are encouraged to read Methodist publications including 'One Mission Matters', 'The Tree of Life', Methodists for World Mission (MWM) magazine and Mission Partners' newsletters and to select initiatives that are working to empower women through our partner churches. The initiatives should be in accordance with the aims and objectives of MWiB:

- The advancement of the Christian faith - seeking "to know Christ and to make him known".
 - To develop the capacity and skills of women members of the Methodist Church, to enable them to participate fully in the life of the church and in society.
 - To combat injustice and poverty in local communities and around the world.
- (See constitution for full information. Please note we cannot fund building projects.)

Up to four suggestions will be brought to October Forum for approval. Please give details below.
