

FUNDING FOR ISSUES AROUND HEARING IMPAIRMENT

MWiB is aware that many people in our churches and groups struggle to participate fully because of hearing issues. We have funding available to encourage better inclusion.

How could we help you?
Training?
Awareness raising?
Interpreting?
Equipment?

Please think creatively around these issues. Send an outline of your request (including a fully costed proposal and details of your own financial contribution) to:
admin@mwib.org.uk

Each application will be considered on its own merit. Sometimes an application may not be successful if other funding streams are deemed more appropriate.
